# ABOUT US

NEO Network is a staking program that offers significant profits with a minimal, one-time investment.

We are running this program to build the next-generation ecosystem community, designed to enhance earning opportunities and provide financial support.

# ABOUT OUR TECHNOLOGY

We use compound staking technology to aggressively grow the invested amount, delivering the best possible returns for our users.

NEO Network offers a 2X split return across 4 stacks, providing compounded returns with just a small initial investment.

# JOINING

You can join directly through the NEO Network app, or get referred by an affiliate to help your sponsor earn more.

 2000

NEO DP has a fixed price to control market inflation and maintain the transaction value within the NEO Network ecosystem.

**1 NEO = 1.00 INR**
